SECTION 1 – ABOUT YOU

Please be assured that your answers are confidential. All information you provide will be held in strict professional confidence and will only be reported in a format where your individual responses cannot be identified. The identifying token used to access this survey is managed in a separate database to protect your identity.

If you wish to be eligible for the survey incentives drawings, you will be asked to provide your email address at the end of the survey, solely for purposes of notification if you win an award. Again, this will not be stored with your response information.

Thank you for taking the time to complete this survey. Your honest answers are appreciated, and the survey should take no longer than 15 minutes to complete.

Please review the informed consent linked below:

SECTION 2 – OVERALL EXPERIENCE RATINGS

The next few questions ask about your experience at Georgia Tech. We ask these questions because we want to get feedback on both Georgia Tech as a whole and your individual program of study.

Please rate the quality of your <u>overall</u> graduate student experience at Georgia Tech, considering both academic and non-academic aspects.

1 = Poor	2	3	4	5	6	7	8	9	10 = Excellent

Please rate the quality of your graduate student experience <u>within your program of study,</u> considering both academic and non-academic aspects.

1 = Poor	2	3	4	5	6	7	8	9	10 = Excellent

Prior to this survey, how easy has it been for you to offer your own opinions/feedback to Georgia Tech about issues that affect you as a student?

1 = Extremely Difficult	2	3	4	5	6	7	8	9	10 = Extremely Easy

How responsive has Georgia Tech been to input or feedback that you have offered?

1 = Not Responsive at All	2	3	4	5	6	7	8	9	10 = Extremely Responsive

Prior to this survey, how easy has it been for you to offer your own opinions/feedback to your program of study about issues that affect you as a student?

Why did you decide not to contact that resource(s)?

Issue resolved itself first

Unsure where to go for appropriate type of support

Stigma associated with seeking help

Contacted off-campus resource instead

Concerned about confidentiality

Did not think I could get an appointment soon enough

Concerned about cost

Thought I should be able to manage the issue on my own

Was not sure they could help me
